
Video - Spotlight on Stem Cell Research: Devic's Disease (NMO) - Benjamin Greenberg

Benjamin Greenberg, M.D., MHSc, spoke at the "Spotlight on Devic's Disease (NMO)," an educational event presented at the CIRM Governing Board meeting on October 21, 2010. Greenberg is director of the Neuromyelitis Optica Program at the University of Texas, Southwestern Medical School. Greenberg was introduced by Michael Yeaman, professor of medicine in the Division of Infectious Diseases at the University of California, Los Angeles.

The CIRM-hosted event was presented at the University of California, Los Angeles
